Halloween Stickers 1/4

Print at 100% on full-sheet sticker paper · cut along the circles

How to print your stickers

- Full-sheet sticker paper (Letter or A4): print at 100% / "Actual size", then cut along the dotted circles.
- No sticker paper? Print on plain paper, cut out, and stick on with a glue stick or double-sided tape.
- Kids can cut the circles; grown-ups can trim closer around the white outline for die-cut stickers.
